

# Welcome to the Grub Club

The Grub Club relies on volunteers, to maintain the school garden, look after the chooks, and help groups of students to do a wide range of activities including planting, harvesting, cooking, craft and enterprise projects. We aim to give students a fun hands-on experience and help them develop healthy habits and a love of vegies!

Over four hundred students regularly took part in Grub Club last year 😊 and we are hoping to give even more students that opportunity this year. To do this the Grub Club needs you!!! No gardening experience is necessary. If you have half an hour or more to spare, any day of the week, weekends included, the Grub Club would love to hear from you.

**An essential requirement is attendance of a school volunteer induction session, as well as a current DCSI clearance and completion of Reporting of Abuse and Neglect (RAN) online training. Please ask at the school office for more information on these.**

If you have any questions about the Grub Club please contact Nancy - [nancyalicecoleman@gmail.com](mailto:nancyalicecoleman@gmail.com)  
Please complete and return the slip below to the front.

## Yes I would like to volunteer with the Grub Club!
